Words Of The Week

Next week our words are:

who & was

When you are reading with your child at home this week, stop when you get to these words and have your child read them to you.

Notes

Please make sure that you are not sending your child down to the room before the bell rings in the morning. We have had quite a few friends coming down before the bell and there are many mornings that I have meetings until the bell and there is no one in here with them. It is just a safety issue and I want to make sure that your child is always being supervised. Thank you for understanding!

If you have not emailed me to let me know you would like to volunteer for the field trip please do so this weekend so that I can get groups together next week. We are so excited about this fun trip!!

I'm going to keep these dates on our newsletter just in case you need them again.
